

NEXT ENGINEER HOUSE

Nashville, TN

WE'VE GOT YOUR HOUSING COVERED

Located in the Nashville suburb of Smyrna, TN, the NEXT Engineer house is a short 5 minute drive from our office. Take the guesswork out of housing during your rotation, with **no need to worry about a lease or finding a place to stay.**

- ✓ **4 Private, Move-In Ready Bedrooms**
Linens and furniture included, just like a hotel.
- ✓ **2 Full Baths**
With shower curtains, towels and washcloths. But unlike a hotel, you might not want to leave them on the floor when you're done.
- ✓ **Washer/Dryer Included**
Never take those towels to a laundromat again! Do your laundry free, at-home, whenever you want.
- ✓ **Ample Closet Space**
Plenty of space to make yourself at home.
- ✓ **Furnished Living Room**
Move in without moving heavy furniture - so no need to borrow your friends truck. (Of course, with a Smart TV for all your streaming services)
- ✓ **Wireless Internet**
Stream, game or just post selfies. It can handle it.
- ✓ **Fully-Loaded Kitchen**
Everything you need to make a gourmet meal. Just bring the ingredients.
- ✓ **Eat-In Kitchen**
Perfect space for eating fast food, when you're not the gourmet cook in the house.
- ✓ **Weekly Cleaning Service**
No one wants to clean a bathroom. Don't worry, we've got that covered (plus the living room and kitchen).
- ✓ **Lawn Care Service**
Just like an apartment, no need to ever mow the lawn!
- ✓ **Private Fenced Backyard**
Hang out with friends, house-mates or your new neighbors. It's totally up to you.
- ✓ **Ping Pong Table**
Because sometimes whacking a little ball with a tiny paddle is just oh so relaxing.
